

Ravenna Army Ammunition Plant
Restoration Advisory Board (RAB)
Meeting Minutes
May 21, 1997

1. Call to Order & Reading of Minutes

The meeting was called to order by Community Co-Chair Adrian Stefanish at 6:00 p.m. at the Charlestown Hall, Charlestown, Ohio.

Secretary Becky Carter read the minutes of the previous meeting which were approved as corrected.

Attendance was taken with 16 members present, 1 resigned due to a job move, 6 excused and 2 absent (Jack Madved & Keith Misner absent).

Co-Chair Stefanish stated the Membership Committee needs to be enacted as we did have one resignation. Interested persons, please see him. Stefanish also stated the April meeting was cancelled due to the lack of an agenda.

2. Program for the evening

Bob Whelove introduced the speakers for the evening Steve Selecman and Samantha Pack who presented the Phase I Remedial Investigation of High Priority Areas of Concern and Risk Assessments. This report is attached for reference as part of these minutes.

3. Next meeting & Comments

Co-Chair Stefanish reported the next RAB meeting will be June 18, 6:00 pm at the Paris Township Shearer Community Center.

RAB member Rachel Craig was disappointed that this presentation tonight was so rushed and feels the RAB members need more time and less covered at a meeting so we can pose questions and comments to the presenters.

Bob Whelove explained that this presentation was rushed because of the financial constraints of having these presenters here. Eileen Mohr explained that all the reviews done on these AOC's and the highlights of the EPA concerns were stated. Alfred Friedl stated the overview of some of the tests would be adequate as we are not here to analyze the raw data.

Bill Roberts RAB member stated we have the documents to research on our own time to better understand the presentation.

Co-Chair Stefanish stated the documents in their full form are available at the libraries for persons desiring to see the entire report.

Steven Selecman stated he gave to the members what he thought we could absorb so we can begin our own understanding process.

Co-Chair Stefanish stated he has the Web site available. There being no further business, the meeting adjourned at 9:05 pm.

Minutes submitted by Rebecca L. Carter, RAB Secretary
